Sir:

**REQUEST FOR A CERTIFICATE OF CORRECTION OF OFFICE MISTAKE UNDER
37 CFR §1.322**

Patentees request the Director issue a Certificate of Correction pursuant to 35 USC §254 to correct an error in US patent 7,666,876 as above identified that incurred through the fault of the Office, which mistake is clearly disclosed in the records of the Office.

The subject patent is a national stage entry of PCT/GB03/01183. The face of the issued patent lists the PCT filing date of March 19, 2002 which is actually the filing date of the first of the four GB priority applications. The PCT application would naturally be filed one year later, namely March 19, 2003 and this is reflected not only in the number of the PCT filing "03" but also on the face of the published PCT application bearing the March 19, 2003 filing date and also reflected in the published application number WO 03/080021 A2.

This request is made with the approval and authorization of the owner of this patent and an authorized representative/attorney of that owner as well as the attorney of record.

Attached hereto is a draft Official Certificate of Correction for use by the Patent and Trademark Office correcting the above-identified matter.

BIRCH, P. et al.

Patent No. 7,666,876 B2

The Commissioner is hereby authorized to charge any deficiency in the fee(s) filed, or asserted to be filed, or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our **Account No. 14-1140**.

Respectfully submitted,
